## ITALIAN FORCES DELIVERING COUNTER ATTACKS ON PIAVE

Along the Center of the River Battle  
Front, Austrians Are Rolled  
Back North and South

GAINS IN MONTELO REGION

Enemy Pushed Back on Lower Piave  
Until They Have Only Third of  
Advance on Venice

AUSTRIAN LOSSES 150,000

Americans Penetrate Hun Trenches  
Third of a Mile West of  
Torcy Today

(By United Press.)  
Washington, June 20.—"On the  
Marne front American patrols  
crossed the river and brought back  
several prisoners," the American  
statement said today. "Gas was  
used to a great extent in Lorraine  
and the Woivre regions."

London, June 20.—Italian forces  
are now counter-attacking at various  
parts along the Piave river line.  
On the middle Piave, the Italians  
have gone forward to the west bank  
of the river, splitting the Austrian  
forces in that region and rolling  
them back to the north and south.

The enemy on the lower Piave  
have been pushed back until they  
have only one-third of their advance  
toward Venice.

The Italians also made gains in  
the Montello region.

### Elements Aid Italians

With the Italian Army in the Field,  
June 20.—The elements are aiding  
the Italians.

Heavy rains in the mountains  
have changed the Piave river from  
a sluggish stream to a rushing flood,  
destroying bridges and cutting off  
Austrian forces on this side of the  
river from their source of supply  
and reinforcement.

British airmen report that 12 of  
the 14 bridges flung across the Piave  
by the enemy have been carried away.  
Trapped on the west bank, Austrian  
detachments are subject to constant  
mauling by the Italian bombardment  
and tons of bombs dropped by British  
airmen, with no avenue of escape.

The Austrians thus surrounded  
and with exhaustion from the lack  
of food and the pounding they are  
undergoing, will be forced to lay  
down their arms or sacrifice themselves  
in desperate assaults on the  
Italian lines.

Frankie efforts to restore the  
bridges so far have been frustrated  
by the swollen current and the accuracy  
of the Italian artillery.

The enemy losses on the entire  
front in the first three days of the  
offensive are estimated at 150,000.

The heaviest fighting is still  
around the bridgehead where the  
Austrians have established themselves  
on the lower Piave from where they  
are trying to push westward to Venice.

### Squeeze Enemy Out of Salient

With the Americans on the Marne,  
June 20.—Americans squeezed the  
Germans out of a salient two-thirds  
of a mile deep and the same in  
width west of Torcy early this  
morning.

The Germans did not remain to  
fight after they were struck by a  
barrage beginning at ten o'clock,  
and when the infantry went forward,  
there was no one to oppose them.

German casualties in the fighting  
in this sector are now estimated at  
800 killed and 5,000 wounded.

Private James O'Donohue who  
was taken prisoner eight days ago,  
escaped and rejoined his command  
last night. He declared that a few  
other American prisoners are com-  
pelled to work there.

## Bread Riots Are Reported From Vienna

Mobs Storm Premier's Residence  
and Plunder Bakeries and Labor  
Council Adopts Resolution Ad-  
vocating General Peace. Protest  
on Reduction in Bread Ration.

(By United Press.)  
Amsterdam, June 20.—Cavalry  
regiments have been rushed to Vienna  
where serious bread riots have  
been breaking out according to ad-  
vices from German sources today.

The mobs are reported to have  
stoned Premier Von Seydlers residence  
and plundered bakeries. Estab-  
lishment of martial law is de-  
clared likely. Officials do not guar-  
antee a return to order.

The Vienna labor council has  
passed a resolution that a substan-  
tial lasting improvement in the food  
situation is impossible during the  
war and demanding a speedy, gen-  
eral peace.

At the same time, the city council  
adopted a resolution protesting  
against the reduction of the bread  
ration.

He also said he saw Germans  
burying their dead twenty to a  
grave.

### One Indian Killed

Washington, June 20.—The war  
department today announced a cas-  
ualty list of 73 names, divided as  
follows:

Seventeen killed in action, nine  
dead of wounds, seven of disease,  
three from accident and other  
causes, thirty-six wounded severely  
and one missing in action.

H. O. Cox, Fairmount, Ind., was  
killed in action. Harvey Green,  
Rockport, Ind., was wounded.

### Another Drive Indicated

London, June 20.—Raiding activi-  
ties such as preceded the last Ger-  
man drive were reported all along  
the Flanders front and the northern  
portion of the Picardy front by Field  
Marshal Haig today. Some of the  
raids led to sharp fighting with  
heavy enemy casualties.

The increased activities were ac-  
companied by increased artillery  
fire along the southern portion of  
the Flanders front and the Picardy  
front.

## STEP PRELIMINARY TO WAR ON PERSIA

State Department Formally Inquires  
as to Reported Turkish Trans-  
gression at Tabriz

RESOLUTION FOR WAR READY

(By United Press.)

Washington, June 20.—Apparent-  
ly preliminary to a war declaration  
against Persia, the state department  
today formally inquired as to the  
reported Turkish transgression  
against the American consulate and  
hospital at Tabriz.

The Spanish embassy was also  
to investigate and the Spanish re-  
presentative at Tabriz cared for  
American interest there. The Swed-  
ish legation was not asked because  
it represented Teuton interests  
there.

A resolution for a declaration of  
war against Bulgaria and Turkey  
was introduced in the house today  
by Rep. Kelley of Pennsylvania.

A nine-pound baby boy was born  
to the wife of Eugene Hall of 732 N.  
Sexton street Monday.

## Savings Stamp Proclamation

In pursuance of the proclamation of Woodrow Wilson, Presi-  
dent of the United States, and the co-operating proclamation of  
James P. Goodrich, Governor of the State of Indiana, whereby  
Friday, June 28th, 1918, has been designated as National War  
Savings Day for the purpose of selling War Savings Stamps and of  
securing pledges to buy War Savings Stamps during the remainder  
of the year 1918:

Now, I, Arthur B. Irvin, mayor of the City of Rushville, Ind.,  
do hereby recommend and urge all the people of our city to make  
purchases and subscribe to pledges for the purchase of War Sav-  
ings Stamps to the extent of their means, and in furtherance of said  
work to assemble, either in person or by proxy of a previously signed  
pledge card, in such places and at such hour as shall be designated  
by the War Savings Committee of our county:

Furthermore, I place all public buildings of this city at the  
disposal of the agents of such War Savings Committee for the pur-  
pose set forth in the Governor's proclamation:

I request, enjoin and direct all public officials of our city to  
aid by every means in their power in carrying out the recommenda-  
tions of the President, and the Governor.

Done under my hand and seal this 20th day of June, 1918.

ARTHUR B. IRVIN, Mayor.

## HYGIENIC EXPERT TO BE AT ASSEMBLY

Dr. Wood Hutchinson, Recently Re-  
turned From Europe Will Speak  
at Chautauqua Aug. 11

SAME DAY IRVIN COBB IS HERE

Edmund Vance Cook, Chief Caupoli-  
tan, String Quartet and Band  
of Indians Other Features

Through the work of the program  
committee for the Rush county  
chautauqua, which is scheduled for  
the week of August 11 in the city  
park, the number of feature days  
for the 1918 program is by far in  
excess of any similar affairs in for-  
mer years.

The meeting of the committee  
which was held last night, disclosed  
that their negotiations for Dr. Wood  
Hutchinson, America's foremost hy-  
giene expert who has recently re-  
turned from Europe, where he in-  
vestigated the health conditions on  
the continent, especially in that part  
over run with warring conditions,  
had been successful. Dr. Hutchin-  
son's appearance will be on Sunday  
evening, August 11, which promises  
to be one of the big days, as Irvin  
S. Cobb is scheduled for an after-  
noon appearance.

"Wake Up America," the most  
famous of the war pictures appear-  
ing in America this year, will be  
shown. The pictures are actual battle  
scenes in the stricken countries  
taken by war photographers.

The success of the Indianapolis  
String quartet during the past few  
seasons has been so marked and  
highly recommended by audiences  
which they have entertained that  
the chautauqua committee here was  
pleased to learn that they would be  
able to place Rushville on their sum-  
mer schedule. Miss Leona Thomas,  
a Rush county girl who has become  
an accomplished violinist, is a  
member of the company.

Edmund Vance Cook, a poet of  
national fame, who has won distinc-  
tion with his inimitable verse, will  
entertain the audience on Tuesday  
evening and on Wednesday evening  
Lieut. Ivan Rossiter, who has re-  
turned from active service on the  
European battle fields, will deliver  
the lecture.

News of the reappearance of  
Chief Canpolitan, the South Ameri-  
can Indian, whose appearance on  
the local platform of a few years  
ago was one of the most remarkable  
features of the program, has been  
received by people with great satis-  
faction. The Indian is one of the  
most accomplished entertainers on  
the American platform.

A band of Indians have been  
scheduled for Saturday and in the  
evening they will stage "Hiawatha."  
Another of their native Indian play-  
lets will be staged in the afternoon.

## GERMAN DROPPED FROM HIGH SCHOOL

For First Time in History There  
Will be no Course in Study of  
This Language

REASONS FOR IT APPARENT

Number of Text Books Are Changed  
For Next Year, Especially the  
History Texts

For the first time in the history  
of the Rushville high school the  
study of German has been omitted  
from the schedule of work for the  
year of 1918-19.

Because of the war conditions  
and the new questions of patriotism  
that have arisen, the school offi-  
cials believe the minds of the stu-  
dents should be given more freely to  
subjects pertaining to Americanism,  
omitting entirely anything in the  
line of the work which might be  
distasteful to the patriotic spirit of  
the students. The German classes  
have been discontinued for the ad-  
ditional reason that since war was  
declared, the subject has been a  
most unpopular one and with each  
passing term, the size of various  
classes diminished most noticeably.

Although the complete official list  
of books which will be used in all  
of the classes has not been obtained  
from the office of the state board  
of education, the number of changes  
in the high school classes is sur-  
prising and far above the number  
in former years. The reason for  
this change could not be accounted  
for by J. H. Scholl, city school su-  
perintendent, unless the newest books  
selected by the state board are more  
complete than those used last year.  
The changes in the high school  
include the elementary Latin text  
book, the geometry, English com-  
position, English literature, Ameri-  
can literature, chemistry and three  
histories. The history changes have  
been made necessary by the revised  
text books which have been intro-  
duced during the last year, bringing  
the world's history up to a much  
later date than the books formerly  
used.

In the preliminary notice which  
was received at the offices of school  
authorities here, the attention of  
the people have been called to the  
numerous changes which have been  
made in the list of books. This  
means that the students will incur a  
considerable expense in buying  
books and that not many second  
hand books will be available on ac-  
count of the numerous changes  
which have been ordered.

John Lindale, a farmer residing  
in the Orange neighborhood sold a  
twenty-nine months old Shorthorn  
steer yesterday at a record price.  
The steer brought \$225 or sixteen  
dollars per hundred pounds.

## LOCAL DELEGATION NEXT TO LARGEST

Group of Manufacturers From Here  
Attending War Industries Meet-  
ing Second Only to Fayette

A TEMPORARY ORGANIZATION

H. G. Francis Represents Rush  
County Factories—Purpose of  
Richmond Meeting Explained

Rush county had the next to the  
largest delegation of manufacturers  
at the meeting in Richmond, yester-  
day, of the sub-region consisting of  
ten Indiana counties, which has been  
organized for war industrial work.  
Fayette county sent the largest de-  
legation and Rush county's was  
second in size.

Each county elected a temporary  
chairman and these chairmen elect-  
ed E. S. Robertson of the firm of  
Swain and Robertson, Richmond,  
to represent the sub-region on the ex-  
ecutive board of the region, of which  
Cincinnati is the center. H. G.  
Francis of the Chas. E. Francis Co.  
of this city served as the temporary  
chairman of the Rush county  
delegation.

This organization is only tenta-  
tive and was formed until the sub-  
region is thoroughly organized ac-  
cording to the plans which have al-  
ready been prepared. It is proposed  
that the manufacturers of each sub-  
region be divided into classes ac-  
cording to the products of their es-  
tablishments, and each section will  
be represented in the sub-region by  
a chairman. These chairmen will  
form the executive committee. The  
region will have an executive com-  
mittee composed of the chairmen of  
the sub-regions.

No war contracts are to be let by  
this organization. It is explained  
that it is only for the purpose of  
giving information concerning in-  
dustries to the government, and con-  
cerning the contracts to be let, to  
the manufacturers. The money re-  
quired is to be raised among the  
manufacturers by the executive  
committee, which will probably  
adopt a plan of taxation based on  
capital stock or the number of em-  
ployees.

C. H. Gamble of Cincinnati, rep-  
resenting the regional chairman, was  
at the meeting and explained the  
purpose of the organization.

Continued on Page 2.

## CHARLES TURASKA IS KILLED IN ACCIDENT

Former Rushville Man Dies From  
Burns After Electric Genera-  
tors Blow Out at Muncie

LEFT HERE THREE YEARS AGO

Charles Turaska, who formerly  
resided in this city while employed  
as engineer at the I. & C. power  
plant, is dead following an accident  
at the Muncie Electric Light com-  
pany plant yesterday.

According to the word received  
here, the death of Mr. Turaska,  
who resided here until three years  
ago, was caused from burns re-  
ceived when the large generators  
blew out. He lived only a few hours  
after the accident. The body of the  
deceased has been taken to the  
home of his father in Westport and  
from that place the funeral services  
will be conducted. Aside from his  
parents the deceased is survived by  
the widow and one son Paul. Mr.  
Turaska was a member of the Ma-  
sonic lodge here.

As the result of the mishap which  
caused the death of the former  
Rushville man, several eastern In-  
diana towns which received their  
electric currents from the Muncie  
plant was not resumed for some  
time after the accident.

## CHOICE OF 2 CARDS IN W. S. CAMPAIGN

White Ones for Pledges and Yellow  
Ones for Those Who Are Able to  
Buy ad Do Not

DRIVE IS TO BE MAPPED OUT

Meeting of Business Men Will Be  
Held At the Office of the County  
Chairman Tonight

War Savings Stamp solicitors are  
offering Rush county people who are  
able to buy stamps, the choice of  
having their names tabulated on yellow  
cards or white cards.

The white cards are for the tab-  
ulation of pledges and the cards of  
bright yellow must be filled out by  
the county chairman or his repre-  
sentatives when there is evidence  
that a person who refuses to sign a  
pledge card, is financially able to  
do so. The cards are to contain the  
reason given by the one solicited  
and the reason in the opinion of the  
county War Savings Stamp chairman  
for their refusal to purchase stamps.

"We can't say that we are tired  
and are going to quit" declared A. B.  
Ayers, the energetic commander of  
the War Savings Stamp sales of  
the sixth district while on his visit  
through Rush county yesterday.  
"We aren't nearly so tired as the  
boys in the trenches who are carry-  
ing out their part of the struggle—  
which is far more difficult than ours  
at home—without a complaint."

Every conceivable plan whereby  
the sale of stamps may be advanced  
is being taken into consideration by  
the executive committee for the  
campaign here and John A. Tits-  
worth, county chairman, has laid  
aside all of his law business until  
after the completion of the drive  
and until after June 28 will give  
his entire time to the stamp sale.

A meeting of prominent business  
men of Rushville will be held this  
evening at the office of John A. Tits-  
worth in the Miller law building and  
at that time, with the assistance of  
a half a hundred men, the entire  
plan of campaign is expected to be  
completed.

Minor Leffingwell, chairman of the  
Connersville War Savings Stamp  
committee, will address the meeting,  
telling the Rush county commit-  
tee of the plans adopted in Fay-  
ette county where the year's quota  
has been raised with an additional  
\$71,000 subscription. Fayette county  
was the first in the country to make  
such a record.

Since the sale of War Saving  
Stamps has taken on the magnitude  
of a Liberty Loan campaign and a  
large subscription is as necessary  
now as it was for the successful  
results of the Liberty Loan drive a  
few weeks ago, numerous large sub-  
scriptions must take the places of  
the former purchases which have  
amounted to five dollars.

According to the investigations of  
the committee, there are scores of  
Rush county men and women who  
have done little or nothing in former  
government requests and are able  
to purchase a thousand dollars  
worth of stamps. There are still  
larger numbers of people who are  
able to purchase stamps to the  
amounts of \$500 and \$250 and un-  
less this is done, the stamp sale in  
the county will prove unsuccessful.

The sale must be put over, and  
according to the county chairman,  
men who are able to make big pur-  
chases must do so. The pledge cards  
may be filled out for buying at any  
time during the year, thus the far-  
mers who will have plenty of money  
at the close of the harvest season,  
will find it comparatively easy to  
purchase a goodly amount of  
stamps.

A maximum amount of the solici-  
tations in the out townships is de-  
pending upon the woman canvassers  
as the men in every case are swam-  
ped with the beginning of their har-  
vest work. The women's commit-  
tee is

## A Seven-Passenger Six That You Can Afford

WE ARE NOT THINKING of the price—for that isn't the primary consideration in the selection of a car.

WHEN WE SAY, "Here is a seven-passenger Six that you can afford," we are thinking of the same item that you, an experienced motorist, are considering—

**NAMELY—UPKEEP.** That is the first thing to consider in the selection of an automobile. ASK ANY REO SIX OWNER to tell you of the upkeep cost of his Six—and the longer he has owned and the farther he has driven his Reo, the better will his answer sound.

**HE WILL TELL YOU** that, having compared notes with friends who own and drive other makes of cars—fours as well as sixes—of the same passenger capacity, he has never found one that compared with his Reo Six in low cost of upkeep.

**AND HE'LL TELL YOU**, too, that he has yet to find even a five-passenger car—four or six—the operation, repairs, replacements and general upkeep cost of which proved as low as his Reo Six—except one—the five-passenger Reo. **NATURALLY** a five-passenger car ought to be cheaper to maintain than one of seven passenger capacity—but most are not, when you look up the figures.

**REO DEALERS TELL US** that their records for the past three years show that Reo Six owners on the average have paid less than eight dollars per car per year for replacement parts.

**JUST READ THAT AGAIN**—with thousands of Reo Sixes running in all parts of the country, over all kinds of roads and handled by all kinds of skilled and unskilled drivers; most of them owner driven and owner cared for (or neglected)—

**THE AVERAGE COST** per car, per year, for replacement parts was less than eight dollars! **FRANKLY WE DON'T** believe that record can be equalled by any other seven-passenger car on earth.

**AND WE MAY ADD** that the records on the five-passenger Reo show less than seven dollars per car.

**THE SAME QUALITY**—the same sound engineering; the same ripe experience; the same attention to little details, and the same construction, inspection and testing of every car enter into the making of all Reo models.

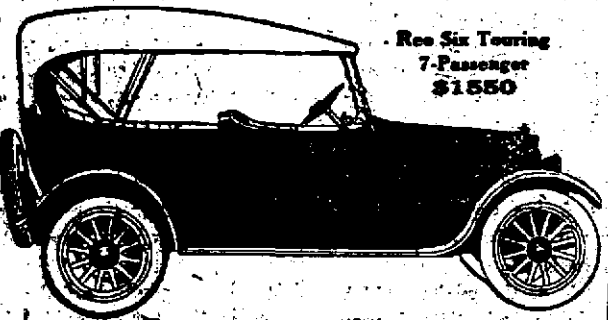

**COST OF UPKEEP** is always uppermost in the minds of Reo engineers, when designing and when specifying materials—and since the same desire is uppermost in the minds of the most experienced buyers—we meet on a common ground.

**REO EFFICIENCY** sets the price lower—Reo quality guarantees low upkeep.

### NEW FLAG POLE ERECTED

A new flag pole has been erected over the fire station from which an emblem of Old Glory will be floating in a short time. The pole which was raised there more than a year ago was destroyed by a strong wind, later but the employees at the department have constructed a standard for the flag now which they claim will be able to defy the elements as they are wont to make their appearance in Rush county.

## THROWN FROM DRAY, BREAKS BONES IN HEEL

Harry Muire Sustained Painful Injury When Vehicle Is Backed Against Curb

### ENTIRE RECOVERY EXPECTED

Harry Muire sustained painful injuries yesterday when he was thrown from a dray on which he was riding, breaking three bones in his heel.

The driver of the dray was in the act of backing the wagon to the curb in front of the residence of William Mulno in North Jackson street and when the back wheels hit the curbing, they did so with such force that Mr. Muire was thrown violently to the ground. The accident was a most painful one and although physicians expect the patient to recover entirely from the injuries, it will be some time before his foot will be in condition for him to walk without the aid of crutches.

## DRAFT SCANDAL IS AIRED

Conspire to Assist Registrant Obtain Exemption

(By United Press.)

Indianapolis, Ind., June 20—A draft scandal of the eight district board of this city was expected to be aired in federal court today when Leonard A. Snitkin, a New York city judge, and his brother Maurice, of this city, went on trial before Judge A. B. Anderson on the charge of conspiring to aid a New York draft registrant to obtain exemption.

Following the trial, Judge Anderson will sentence A. Joseph Schur, government appeal agent of the eight district board, who was indicted with the Snitkins and has pleaded guilty.

## LOCAL DELEGATION NEXT TO LARGEST

Continued From Page 1

Rush county factories were represented as follows at the meeting:

Case Planing mill, J. D. Case and Roy Waggener; Rushville Glove Co., Theodore Heeb; Pinnell-Tompkins Lumber company, R. L. Tompkins; Rushville Furniture Company, I. L. Endres; Parke Furniture Company, Walter Milton Pearce; Lomis-Pearce Company, C. W. Talges; National Manufacturing company, Alfred Looney and Donald Looney; Arbuckle and company, Fred G. Arbuckle and Will Dill; Rushville Foundry company, John Kinsey; Reynolds Manufacturing company, Arthur Fry; Madden Brothers, Bert Madden; Chas. E. Francis company, H. G. Francis and George J. Griesser; Carthage Board and Paper company. The Rush county delegation was given an immense ovation when local representatives arose at the call of the chairman of the meeting.

"This organization is one of the most important events of the war," he said, "we are greatly in need of greater production, both because it means a quicker victory in the war, and because it will be of direct personal benefit."

The factories now producing non-essentials must get into the war industries business if they expect to live. We must take on a certain percentage of war business or we are going to be shut up. It is the purpose of this organization to develop new industrial resources and to increase the present production. "It may mean sacrifice to some business men, but each must make a sacrifice where it is necessary. What we men in industries give is nothing compared to the sacrifices that are being made by the men over there and the women at home. Don't let's wait for more submarines off the Atlantic coast or air raids on New York or longer casualty lists. We can save lives and money by organizing now, so that our resources may be in the hands of the government."

### SUES HUSBAND FOR SUPPORT

Mrs. Bessie Borem has filed suit in the circuit court against her husband, Clarence Borem, for support. There is a criminal case, charging desertion pending against Borem. He was arrested May 31 on a charge preferred by his wife and released under \$500 bond. Borem filed suit for divorce June 4, but it was dismissed and the costs paid June 14.

## BIG PUBLIC SALE

Big Type Poland China Hogs

Saturday, June 22, 1918

At my home, one-half mile southwest of Knightstown, Indiana, commencing at 1:00 p. m., sharp

**41 HEAD OF PURE BRED BIG TYPE  
POLAND CHINA GILTS AND BOARS**

Consisting of twenty-seven head of gilts, bred to my Big Smooth Bone III boar, for July and August litters. These gilts will average in weight about 300 pounds. They were farrowed in June, July and August, 1917.

Also ten head of October and November gilts that will sell open. Also four head of boars, including my fine herd boar, Big Smooth Bone III, a yearling, and three boars that were farrowed in October and November.

The gilts to be offered in this sale are choice, and have been bred and fed right to insure growth and good litters. These hogs are not fat, but are the right kind, with plenty of stretch and well shaped backs and big bone and plenty of it. They are sired by such boars as Professor Jumbo, Wonder King, Defender's Equal, Expansion Sure and Long Wonder II, and out of sows sired by Orange Giant, Orange Jumbo, Mow's Jumbo, Iowa King, AA Wonder, Pansy Wonder, King of Jumbos, and Barnard's Big Chief. My Herd Boar, Big Smooth Bone III, was sired by the Hicks and Herley boar, Big Smooth Bone, and Big Smooth Bone was by Manchester Big Bone 223229 and out of Mollie Wonder 519538. I wish to invite the farmers of this section, and all those interested in the breeding of Big Type Poland China swine, to come and look at these hogs before the day of sale. Since the sale is to be held on Saturday, I will take special care of all those hogs until the following Monday. All of these hogs are double immunized and are in the best of health and condition. Everyone is invited to the sale, and to spend the afternoon at my home. Ladies especially invited. Terms made known on day of sale. Sale will be held under tent.

Auctioneers—Dusty Miller, Rushville; Barney Flanagan, Spiceland; Delno Dreesbach, Muncie; Howard Vanderbeck, of Lewisville, son of the late Alfred Vanderbeck; Charles O. Garrett, Clark.

**EVERETT BUTTON**

**Personal Points**

## TELEGRAPH OFFICES ARE RAIDED TODAY

Government Seeks Evidence to Support Charges Western Union Competes With Mail

### "NIGHT LETTERS" BY TRAIN

(By United Press.)

Washington, June 20.—Raids were carried out today by the government on Western Union offices at Baltimore, Philadelphia, New York, Washington and Boston to secure evidence on charges that the Western Union is operating in competition with the postoffice department by delivering "night letters" by train.

It is said that the Western Union has been accepting "night letters," charging wire rates, and then delivering by messengers between these large cities. Thousands of letters have been thus delivered, it is stated.

Employees were arrested by post-office officials in cities where the raids were conducted.

### ASK A FREIGHT INCREASE

Ten Interurban Lines, Including I. & C., File Petition Today

(By United Press.)

Indianapolis, Ind., June 20.—Ten electric interurban lines in Indiana today asked the public service commission for an increase of 25 percent in freight rates to conform with the increase on steam lines. The companies filing the petition include the Ft. Wayne and Northern Traction company, Indianapolis and Cincinnati Traction Co., Indianapolis and Louisville Traction company, Interstate Public Service company, Louisville and Northern railway and Lighting company, Louisville and Southern Indiana Traction company, Terre Haute, Indianapolis and Eastern and the Union Traction. Hearings on the petition will be held June 25.

### REVOLT IN KIEFF SPREADS

Forty Thousand Armed Peasants Are Said to be Organized

(By United Press.)

London, June 20.—The revolution in Kieff has spread to the districts eastward, according to an intercepted wireless dispatch received in Moscow and relayed here. Forty thousand armed peasants in these districts are said to be organized to resist the German-controlled Ukrainian government. Artillery supplies in Kieff are reported blown up. Fighting is under way and the civilian population is fleeing.

### CHOICE OF TWO CARDS IN W. S. S. CAMPAIGN

Continued From Page 1

tees have done brilliant work, however, and with the assistance of more women of the same calibre as Mrs. John Eaton of Posey township, Mrs. Clyde Henley of Carthage and Mrs. Oscar Reese of Union township, the canvassing will be most effectively done.

## The Fordson Tractor

The Fordson tractor, manufactured by Henry Ford & Son at Dearborn, Michigan, is here.

Hundreds of farm owners in this community will be interested in this announcement—in knowing that Fordson tractors are ready for distribution. The urgent need for greater production and the vital necessity of employing man-saving machinery in farm work is apparent to everyone. Remembering these immense tasks ahead, the coming of the Fordson is of importance to every farm owner at this time.

## The Oliver No. 7—the Plow for the Fordson

"We appreciate the co-operation the Oliver Chilled Plow Works have given us in designing the proper plow for the Fordson Tractor. We know that with the Oliver No. 7 plow the Fordson will work to the very best advantage."

[Signed] Henry Ford & Son

Oliver No. 7 has been built for the Fordson.

Oliver No. 7 is strictly a one-man machine. A trip lever right at the operator's hand raises or lowers the bottoms. An even depth adjustment lever is right at hand, too.

You will appreciate the high clearance of plows and beams because they save time and annoyance—just as the rake between bottoms prevents clogging with trash and makes every second of operating time count in plowed ground.

The Oliver No. 7 embodies principles of plow construction founded on sixty years of making plows, of intensive study of every existing soil condition—and constant attention to the plow requirements of the tractor since the tractor industry began.

Come in and see this complete outfit—the Fordson and the Oliver No. 7 Plow.

### ROAD BOND ISSUE IS SOLD

Meyer-Kiser Bank of Indianapolis is The Only Bidder

The bond issue of \$23,840 to build the Nathan Arbuckle road in Walker township was sold this afternoon at the county treasurer's office for par and accrued interest to the Meyer-Kiser bank in Indianapolis, which was the only bidder. For a time it appeared that there would be no bids, which was the case when the same issue was offered for sale once before. The bonds were readvertised for sale when some slight corrections were made in legal proceedings affecting the issue.

## Concerning Exemptions

When the selective draft law was passed and the government began the mobilization of an army, many were the predictions that it would meet with bitter opposition from the people. Members of Congress even were heard to remark that they would not choose between being a conscript and being a convict. But contrary to all such gloomy views, the work has been going smoothly on and the people have quietly adapted themselves to the law's requirements, till now the calling of men under its provisions is regarded as a mere matter of course.

The selective draft law is a signal victory for sound government: It recognizes the fundamental fact that man owes a debt to government, and is bound to pay that debt on demand—that there can be no exemption so long as the man himself is physically and mentally fit to pay. Nothing but physical or mental unfitness can exempt any man from the obligation.

But isn't there a further obligation resting upon the beneficiaries of government? Is life and personal service all of the debt?

Getting down to the grist of the question, if the government has the right to demand the services of your son, has it not the right to demand more so the services of your dollars as well? Is property more sacred in the eyes of the law than life? Life and personal service alone can never win the war. These must be backed up and sustained by the money and means of the nation. But is the burden to fall entirely on the government of raising these means of sustenance?

Before many more months of this war have passed, the people of this country are going to be rudely aroused to the fact that, viewed in the light of justice and right, Nothing should be exempt. Life is the most sacred of our possessions. Yet life is demanded by our government, and we see no injustice in the demand. But as soon as our precious dollars are demanded we raise a holy howl.

Our government is fighting for its existence. The life and death struggle is now going on, and shall any citizens of this government dare to claim that his country has not the right to his last dollar if that should be needed to insure victory?

So long as the bond issues of the government are readily subscribed, however, indications are that that means will be taken to finance the war. Should these issues fail of subscription the real test as to the ultimate authority of government will come.

"Nobody but the farmer knows how oats, peas, beans and barley grow," but the nation is getting a good idea how they taste.

The president wanted an impression of tank warfare, but if less vivid one would have answered his purpose better.

The mold in which heroes were cast evidently still exists. General Haig was turned out from it.

## JOHN SCHMALL DIES OF ACUTE INDIGESTION

Expires at Age of 71 Years After Critical Illness of Only a Few Hours—Son in Service

## WIDOW AND FIVE CHILDREN

John Henry Schmalt, 71 years of age, died yesterday evening at six o'clock at his home in Caldwell Ave., following a critical illness of only a few hours.

Although Mr. Schmalt's health had been such during the past six years that he was unable to work, his condition was not pronounced serious until yesterday when the deceased suffered an attack of acute indigestion which resulted in such a weakened condition of his heart that death resulted.

Aside from his widow, the deceased is survived by five children: Mrs. Anna Brown, Mrs. Ida Casey, Mrs. Bertha Waincoat, and Mrs. Ethel Eden of this city and Herschel Schmalt who is in training at Fort Oglethorpe in Georgia. The arrangements for the funeral will not be made until word is received from Private Schmalt as to the time of his arrival home.

## Amusements

## "Mr. Fix-It" is Coming

Dorothy Dalton in a society drama of modern times, "Love Me," and the Ford educational weekly, will be the attractions at the Princess theater tonight and tomorrow the popular Douglas Fairbanks is coming in "Mr. Fix-It." In this picture he appears as the expounder of the theory that happiness is a habit and comes only to those who afford happiness to others.

The scenes of "Mr. Fix-It" are located in the home of wealthy residents of New York, and he is an all round fixer of hearts and things. There is much bickering, petty hatreds and jealousy among these aristocratic men and women, but when "Mr. Fix-It" enters a magical transformation takes place. He is a genial, smiling chap who laughs and conducts himself in a manner that provokes the sternest criticisms of the elderly maidens and aunts of the contracted couples. This does not dismay him one whit, for he keeps right on fixing matters by practical illustrations of his philosophy, the result being a series of mirth-provoking developments which afford infinite amusement to all who behold them.

An exciting scene in the picture is a battle between "Mr. Fix-It" and several gangsters in the slums. Mr. Fairbanks climbs down the side of a house on a clothesline and swings across a street on an election banner. This is said to be one of the most thrilling stunts Mr. Fairbanks ever has performed.

## BUY THRIFT STAMPS

Aching back may not mean anything serious, but it certainly doesn't mean anything good.

When the kidneys are weak or disordered they cease to do their work, and instead of cleansing the blood of impurities, the waste products remain to attack the whole system, causing aches and pains in muscles and joints, irregularities of the bladder, puffiness under eyes, biliousness, erratic appetite, and other ills and ailments.

## Foley Kidney Pills

Invigorate, stimulate and restore to health; action the organs that filter and remove the waste products of the system. They strengthen the kidneys and bladder and tone up the liver.

George McLaine, Turtle Lake, N. D., writes: "I am a locomotive engineer. I was troubled with my back. Had pain and bladder troubles all night through the day and night. I took Foley Kidney Pills and I was relieved in a couple of days."

If you have reason to suspect that your kidneys are overworked, weakened or diseased, the best thing to do is to give them help immediately. Foley Kidney Pills come in two sizes. 50¢ and \$1.00.

## Oldsmobile Eight Cylinder Touring Car

The Eight Cylinder Oldsmobile occupies distinctly a place of its own in the ranks of motor cars. Attractive in design, remarkable for completeness of appointments and refinement of finish, it combines unusual power with ease of operation and economy of maintenance. These with many more good qualities assures the owner satisfaction far out of proportion to the moderate investment. Such a car will be a source of happiness, service and pride for many years.

C. H. (Nick) TOMPKINS

## Strive To Have Healthy Skin

Next time you are in a gathering of women note the different conditions apparent in complexion. You will see some with blackheads, some dry and rough, some smooth and glowing, some covered with freckles, some with heavy blotchy patches and some in a while you will see one that is a demonstration of radiance from every pore of skin. The secret is, first, the skin is clean and smooth, the pores are small and open, the powder does not clog on the skin, the complexion is clear and glowing.

There is no secret or mystery about this. Doctors prescribe it regularly because they know exactly what it contains and what it will do and they know they could not formulate a better up-building tonic.

The action of Bio-form on the system is so beneficial, we are so sure of its giving you positive health and vigor, that of course there is no serious chance almost such as cancer, tuberculosis, etc., that we only sell it on the condition that you agree to return the money if you do not get a return of your money within 30 days.

There is no use waiting for health and beauty. It is better to do things today than tomorrow. Go to your physician and get a prescription for Bio-form. Then start taking it at once as the physician or as directions on the package call for. The Bio-form will give you the health, vigor, and beauty that you desire.

Large package \$1.00 at all leading druggists or direct. If your druggist can not get it, write to Bio-form, Inc., 1000 Broadway, New York, N. Y.

Small package 50¢ at all leading druggists or direct. If your druggist can not get it, write to Bio-form, Inc., 1000 Broadway, New York, N. Y.

## DON'T HOLD A DIME

So close to your eye that it hides the dollar beyond. A little saving now, by using cheap paint and hiring unskilled labor, will cost you many times as much because of inferior durability and failure to protect your house from decay.

**Dangers of Costiveness.**

Auto-intoxication, headache, lassitude, irritability "blues," sallowiness, blotches, are among the results of constipation. If long neglected it may cause piles, ulceration of bowels, appendicitis, nervous prostration, paralysis. Don't delay treatment. Best remedy is Foley Cathartic Tablets, as many thousands know from experience. They not only do their work surely, easily, gently, but without injury to stomach or intestinal lining. Contain no habit-forming element. F. B. Johnson, Adv.

### Stop Itching Eczema

Never mind how often you have tried and failed, you can stop burning itching eczema quickly by applying a little zemo furnished by any druggist for 35c. Extra large bottle, \$1.00. Healing begins the moment zemo is applied. In a short time usually every trace of eczema, tetter, pimples, rash, blackheads and similar skin diseases will be removed.

For clearing the skin and making it vigorously healthy, always use zemo, the penetrating, antiseptic liquid. It is not a greasy salve and it does not stain. When others fail it is the one dependable treatment for skin troubles of all kinds.

The E. W. Rose Co., Cleveland, O.

### HE NOW LAUGHS AT THE MEN AT THE TABLE

This Man Was Always Ill at Ease While Waiting for His Dinner, Until—Pepsinco.

He would order a few little things and see visions of pains, nausea, misery and everything but enjoyment when they were put before him. Much or little never failed to leave the same miserable, disagreeable, sick headachy feeling. He had to eat and suffered the consequences.

He thought he was doomed to eternal chronic stomach trouble. He doctored, used many remedies, but no help.

A stranger, a good Samaritan, saw his condition; asked him the reason; offered him Pepsinco, and now a happy, smiling diner awaits the steaming dishes.

If your stomach bothers; if your food sours or disagrees with you; if pains follow a meal and sick headache is a rule, stop at the drug store and get a small package of Pepsinco now today. It is a positive remedy for bad stomachs.

The home of Mr. and Mrs. Clarence Downey in North Sexton street, last night, was the scene of a very pretty party given in honor of their house guest, Mrs. Myrtle Rosenfield of Indianapolis. The rooms of the home were decorated profusely with flowers, and the guests were entertained with music and games throughout the pleasant evening. The decorative scheme was also carried out in the dining room and the table appointments, when light refreshments were served at the close of the very pleasant evening. The guests included the following: Mr. and Mrs. Henry Harpring and children, Mr. and Mrs. Willis Crin-tock and daughter, Mr. and Mrs. Chase Saddler, Mr. and Mrs. Horace Brooks, Mr. and Mrs. Earl Davis of Connersville, the Misses Cecil, Carrie and Edith Downey and the Misses Myrtle and Bertha Wilson of Connersville.

Friday

Psi Iota Xi pitch-in dinner and initiation in the evening at the home of Mrs. Fred Arbuckle 319 West Second street.

Meeting of Mahoning council in the evening in the Red Men's Hall.

Thirty-two guests were entertained last night at the home of Mr. and Mrs. E. B. Thomas in North Morgan street, when the Wi-Hub club gave a delightful pitch-in dinner, honoring Mrs. Anna B. Cox, and son Wilbur, who have recently returned from California. Pink roses, arranged in baskets and vases, were employed largely in the attractive decorations of the rooms, and a large bouquet of the beautiful pink blossoms was used in plateau effect to adorn the table. The splendid dinner was served in buffet style, the color scheme of dainty pink and white predominating in the ices and confections. The remainder of the evening was spent in music, including the singing of patriotic songs. Guests besides the members of the Wi-Hub were Miss Alma Green, Miss Ruth Innis, Lawrence Payne, Wilbur Cox, Mr. and Mrs. John Blackledge, Miss Lenora Norris, and Mrs. Dean Wheeler and her mother, Mrs. Margaret Haydon, of Frankfort, Ky.

Mr. and Mrs. Frank Reynolds entertained with a dinner party last night at their home in North Morgan street, honoring Mr. and Mrs. Charles Landis and Mr. and Mrs. Joe Landis of Chicago who have been visiting relatives and friends here for the past few days. Flowers used in plateau effect, adorned the table when the splendid dinner was served at six o'clock. Covers were laid for Mr. and Mrs. Charles Landis, Mr. and Mrs. Joe Landis, Mrs. Nettie Carr, Miss Alice Norris and Miss Bertha Helm.

Mrs. Ross Schrader entertained at her home in the country today with a prettily appointed twelve o'clock dinner party. During the afternoon guests for two tables were entertained at cards. They included Mrs. Denny Ryan, Mrs. Stephen Kelly, Mrs. Fred Jones, Mrs. Mary Binkley and daughter Gertrude, Mrs. Robert Williamson, Miss Mae Sullivan, Mrs. Omer Collier and daughter Helen, and Mrs. Ella Osborne.

Earl Steffy was the guest of honor at the party given by his mother, Mrs. S. C. Steffy, yesterday afternoon, the occasion being his ninth birthday. The guests were entertained during the afternoon with games and contests of various kinds, after which, light refreshments were served by the hostess. Among the guests were Russel Perrin, Lawrence Alsop, Jack Mahin and William Newbold.

Miss Dorothy Allen Sipe of Carthage, Ind., was among the graduates from the Cincinnati College of Music, yesterday. Miss Sipe is well known in this city, having at different times appeared on musical programs give here, as a pianist, in which art she received her degree.

The marriage is announced of Miss Lora Miller, daughter of Oro Miller of Central Ave., Connersville, and Edgar Bates of this city. The marriage was solemnized Saturday evening by Justice Grover C. Tate. Mr. and Mrs. Bates will reside in this city.

The members of the Psi Iota Xi sorority will be entertained with a pitch-in supper at the home of Mrs. Fred Arbuckle in West Second street, tomorrow night, after which several girls will be initiated.

There will be a meeting of the Mahoning council tomorrow evening in the Red Men's hall. A good attendance of the members is desired and the business session will open promptly at 7:30 o'clock.

### AUTOMOBILE TURNS OVER

Mr. and Mrs. O. M. Dale and Mr. and Mrs. C. A. Frazee in Accident

While on their way to the Wright flying field near Dayton, Ohio, yesterday morning, Mr. and Mrs. O. M. Dale and Mr. and Mrs. Charles A. Frazee were slightly injured when Dale's automobile turned over. The accident happened near Centerville. The machine struck a rut in the road and the driver, Mrs. Dale, lost control. It ran up the side of a steep embankment and fell over on its side. The top of the closed car was damaged, but not so badly that the party was prevented from continuing the journey.

### STOCKYARDS TO BE LICENSED

(By United Press.)  
Washington, June 20.—President Wilson in a proclamation issued today, required owners of stockyards to secure licenses before July 25. The secretary of agriculture will have charge of the yards in the future.

#### How She Banishes Backache

Mrs. Effie E. Kleppe, Averill, Minn., writes: "I was at a sanitarium three weeks at one time, two weeks another time, for rheumatism and kidney trouble and got no relief. On my return home I began using Foley Kidney Pills and found immediate relief; a half bottle completed the cure." This is further proof that these wonderful pills give relief where other treatments fail. Unequaled for weak, sore, aching kidneys, bladder, back, muscles or joints. J. E. Johnson. — Adv.
